

Program Routing Tree

Sales intake — route by stage & goals

Which program a new student inquiry belongs in, decided one question at a time: how far along they already are, what they are aiming at, and how close their profile sits to the ideal applicant.

ROUTES

10 destinations

1 The Routing Tree

Read left to right. Each step narrows the inquiry until it lands on a program.

2 Where Each Route Lands

The same ten destinations as the tree, listed so a program can be looked up directly.
